The Task

Explain how you used the convention of frozen depiction and thought tracking to communicate the deeper meaning of Lear’s salute.

Focus Questions:

Use the following questions to help you to structure your answer.

- What do you think the salute means within Act 1, Scene 2?
- Describe the frozen depiction you created.
- Explain how an audience might read the image. What might it tell us about the character of Lear? What might it tell us about the meaning of the salute?
- Describe how you used throughout tracking within the scene.
- Explain how an audience might read the thought tracking. What might it tell us about the character of Lear? What might it tell us about the meaning of the salute?

Key Concept:

Conventions enable the audience to read deeper meaning into a performance beyond the literal narrative being shown on stage.
